**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The USA is a large country. Very large. There is no need for a couple of mega-telecorporations to have control over the infrastructure that serves millions of Americans.

You know this. You don't need to facilitate making broadband access more expensive.

I have ALWAYS used smaller Internet Service Providers, and will be extremely upset if they are forced out of business by telecom's political influence.

Your agency exists to serve the American people. Please take note.
